

40/40 AEF

Industrial tube sample with water cooling for continuous operation up to 40 mA

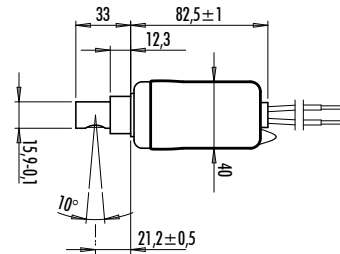

160/5 AEF

Large robust Be-window tube family up to 300 kV with panoramic or directional beam

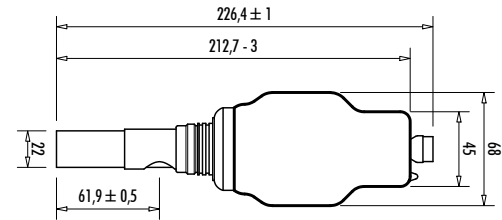

60/1 AEF

60 kV Be-window mini focus tube for anode grounded operation

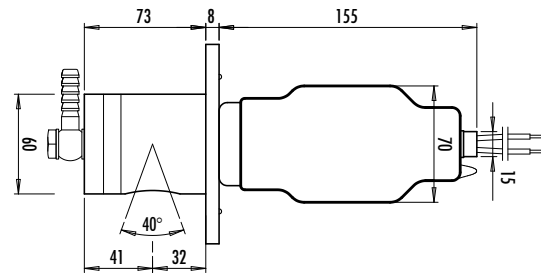

200/8 AEF

Compact 200 kV tube family with internal radiation shielding, directional or panoramic beam (customer project)

150/20 ADF.4.4

Be-window tube family up to 200 kV with various single and double focus configurations

300/5 NRF

Tube family in the range of 225 to 360 kV, panoramic or directional beam (customer project)
